

# UKZN ENGINEERING WINTER SCHOOL

2 – 6 JULY 2018

---

FUN, INFORMATIVE, ENTERTAINING AND  
MOTIVATING!

Confused about which Engineering degree to  
pursue?

The Engineering Winter School is aimed at grade 11 & 12 learners who would like to learn more about the different disciplines of Engineering.

Conveniently held during the July holidays, learners are hosted at the Unite Building, Howard College Campus, and are given the opportunity to participate in fun exercises to better understand Engineering. A fun and informative field trip is also arranged during the week.

COST PER LEARNER: R250
