

All UKZN students who require accommodation for 2024 academic year must apply online. All returning residence students and non- residence students who are registered at UKZN for the 2023 academic year are required to do the same. The first-time entry/entrants' students for 2024 should apply through Central Applications Office (CAO).

**Students applying online must use Admin TAB and the Student iEnabler Menu to activate the 2024 Residence Application.**

OPEN DATE  
**01<sup>st</sup> September  
2023**

CLOSING DATE  
**31<sup>st</sup> OCTOBER 2023**

#### **STEPS FOR RESIDENCE ONLINE APPLICATION**

1. Student Central
2. Self Help
3. Student iEnabler Menu
4. Click on Continue
5. Residence Application
6. View/update Personal Information and save
7. Accept residence admission principles
8. Submit residence application

▶ You will need to select the campus you will be studying at in the following year, then accept and save.

***NB: It should show that your application is still PENDING under admission statuses.***

Medical School students currently doing 5th year level in PMB under the decentralized program must indicate campus as Durban for 2024 since they will be in 6th year level. The 4th year level students who are currently in Durban must indicate PMB Campus since they will be at PMB for 2024.

NB: No students will be considered for residences for 2024 if they have not applied online. Should you not wish to return to residence in 2024 after submitting an application, please notify the administrators in writing on time.
