SUBJECT LIBGUIDE

The screenshot shows a web browser window with the URL `ukzn.libapps.com/libguides/admin_c.php?g=771163&p=5531630`. The browser's address bar and tabs are visible at the top. The page header is orange and contains navigation links: LibGuides, Home, Content, Tools, Discussions, Statistics, LibSites, and Help. The user is logged in as `pramiala@ukzn.ac.za`. The main content area is titled "Geology: Home" and includes a description of geology, last updated information, and subject tags. Below this is a navigation menu with links like Home, Books, Journals, Databases, etc. The main content area is divided into three columns. The left column contains a box for "UKZN LIBRARY SERVICES OPENING HOURS 2026". The middle column contains a box for "UKZN Library Services" with a list of links and a note about subject librarians. The right column contains a box for "Subject Librarian" with a photo of Ashika Pramlal and an "Email Me" button. The Windows taskbar is visible at the bottom with various application icons and the system clock showing 14:55 on 2026/01/29.

UKZN Library Services

- Online Library Support
- ResearchSpace
ResearchSpace is the institutional repository of the University of KwaZulu-Natal which was developed to increase the visibility, availability and impact of its research output. It was also created to disseminate and manage digital materials created by researchers of the institution.
- Pay-per-view articles purchased by UKZN
- UKZN Library Website
- Zero Rated URLs
All registered students and staff who make use of Vodacom, MTN, Cell C and Telkom networks that access key website/specific URLs that are hosted within UKZN's network will be zero rated. The terms and conditions from the service providers are very clear in the type of content that can be served from these zero-rated websites.

Sort Link Group

Please note that subject librarians can be contacted via Email, Skype for Business, MS Teams, Telephonically or you can set up a Zoom meeting with them for assistance. Contact details can be found on:
